# MADE FROM SCRATCH

**No mass produced bread or  
pre-fabricated ingredients!**

We believe great food starts with beautiful ingredients and genuine care.

A good sandwich begins with exceptional bread, and we proudly use artisanal sourdough from our amazing partner, Bakkerij MAMA.

All our toppings are freshly made from scratch by our kitchen team, led by co-owner Timo.

The result? A lunch that satisfies both bellies and hearts, getting your team ready for a productive afternoon.
